Sheriff Gorman is already making prepara-tions to offset the army of United States Deputy Marshals and Supervisors who will infest every polling district in the city on election day. Every one of these subordi-nates of Marshal Jacobus and Supervisor John I. Davenport will be watched with a deputy sheriff.

John I. Davenport will be watched with a deputy sheriff.

*I have reason to believe," said Sheriff Gorman this morning to an Evening Wonld reporter, "that there is danger of a breach of the peace in this community. My information comes not only from the newspapers, but from common report, and under the circumstances I am authorized by law to appoint a sufficient number of assistants to see that order is preserved.

Col. Murphy's Law Polut.

Ex-Senator Col. Michael C. Murphy did not think that the Federal authorities, through the Attorney-General's office, would attempt to enforce the interpretation of the law as laid down by Juage Alarich.

"There is another point," said Col. Murphy, "and that is the question whether the Federal authorities can interier, even with presidential electors. Mr. Aldrich says in his opinion that the Supreme Court of the United States has ruled that Federal supervisors have jurisdiction in election of presidential electors. I hold that the Presidential electors I hold that the Presidential electors I hold that the Presidential electors are exclusively State officers, and comsequently not under the jurisdiction of the general Government.
